Prior to your treatment, we ask that you fill in a medical history form. There are some circumstances in which treatments using ultrasound apparatus should not take place.

If you would like to book a treatment without ultrasound, the treatment cost is reduced by CHE 25

MICRODERMARRASION*

High-tech power exfoliation

This treatment is a power exfoliation process and consists of cleansing, intensifying the effects of the applied concentrate using ultrasound, massage for the face, neck and decolleté, face mask and finishing daily skin care.

The initial treatment includes the following obligatory products for further care at home:

• 1 × BABOR Ultimate Protecting Balm CHF 50 (50 ml)

Initial treatment (with products)

U 95' | CHF 255

Further treatment (without products)

U 95' | CHF 220

Without ultrasound

Initial treatment (with products)

U 80' | CHF 220

Further treatment (without products)

U 80' | CHF 185

*MICRODERMABRASION

Microdermabrasion is used to mechanically remove the topmost layer of skin cells with fine crystals. This enables dead skin cells to be removed with a vacuum.

Effect

- Skin hecomes more elast
- The pores of the skin become finer
- The firmness of the skin increases
- The depth of wrinkles is reduced
- Absorption of active ingredients by the skin is ontimised

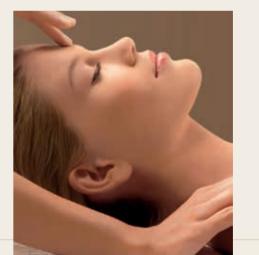

TOP FACE LIFT

Ultrasound

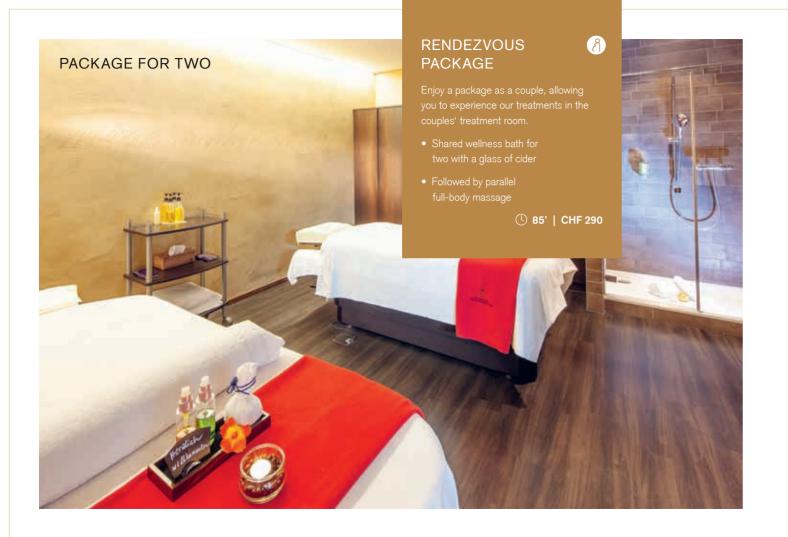

A treatment for all skin types for regeneration and better skin texture thanks to a bespoke combination of active ingredients. An effective pampering treatment with cleansing, AHA exfoliation, active ingredient serum, collagen biomatrix face mask and daily skin care.

CLASSIC MASSAGES*

SHIATSU

Shiatsu means "finger pressure" and is an acupressure technique originating from Japan, which acts on specific energy flows. This treatment encourages natural processes of self-regulation and contributes to physical, emotional and mental wellbeing. Immerse yourself in absolute relaxation for your head and body. You can also wear comfortable clothing for this treatment.

Full-body treatment

() 65' | CHF 135

Back, head and neck

U 50' | CHF 115

REFLEXOLOGY MASSAGE

All organs, joints and body parts have designated reflex zones on the feet. These can be stimulated via a special pressure massage to encourage self-healing, such as spinal problems and digestive disorders. This massage results in a positive energy flow throughout your entire body, thereby optimising your metabolic functions.

(40' | CHF 90

() 25' | CHF 65

CLASSIC MASSAGE

A variety of massage techniques to massage the torso, arms and legs. Rubbing, kneading, tapping and clapping techniques are used here. Tense muscles are relaxed and optimal circulation is restored.

(25' | CHF 65

TIME IS A PRECIOUS COMMODITY.

TAKING TIME FOR YOURSELF IS THE PUREST FORM OF LUXURY.

RELAX MASSAGES*

SHIRODHARA – FOREHEAD INDULGENCE AND MASSAGE

Warm oil calms your spirit and senses. With a warm stream of oil on your forehead, you can achieve balance between emotion and reason and thereby enjoy a soothing and regenerative feeling of deep relaxation. To prepare you for your forehead indulgence, we will apply a full-body oiling treatment. Please only book the forehead indulgence treatment during your stay, and not for your day of arrival or departure.

(65' | CHF 180

NADA ABHYANGA – SINGING BOWL MASSAGE

Waves of soothing sound vibrations will tangibly penetrate your body and stimulate energy flows in even the smallest cell in your body. This treatment begins with full-body oiling, after which you will enjoy a massage alternating with the sound.

(65' | CHF 145

PINDA SWEDA – HERB POUCH MASSAGE

In this massage technique, the body is massaged using warm herb pouches. The warming effect of the pouches enables the active ingredients and nourishing oil to work their magic in an ideal way. The scent of the contents and the art of harmonious massage strokes combine, elevating you to a higher physical and mental state.

(65' | CHF 155

HOT STONE MASSAGE

The use of heated stones enables warmth to penetrate into the deepest areas of the body, stimulating blood circulation and metabolic processes. The Hot Stone Massage is a perfect combination of massage, energy work and the soothing effect of hot stones. This treatment encourages physical and mental balance.

(60' | CHF 135

SIGNATURE MASSAGES*

GOLFER RELAXATION

The technique used here is similar to a full-body massage or partial body massage, with mobilisation of the lumbar spine for relaxation, strain relief and improved mobility. Make use of the greater range of motion provided by this treatment to improve your golf game.

U 50' | CHF 115

BACK AND HEAD ENERGY

Bespoke back massage combined with shiatsu techniques. This energy massage tackles tense and painful points and provides a calming and stimulating effect. Following this massage, you will feel more tranquil and balanced – the relaxation this massage provides is unbelievable!

(50' | CHF 115

BACK AND FOOT ENERGY

A bespoke back massage for easing tension in the musculature and stimulating circulation in deep tissues. Combined with a foot reflexology massage to encourage self-healing, etc. This energy massage provides a revitalising and balancing effect.

(50' | CHF 115

ACIDOSANA®

This special massage activates deacidification by relaxing connective tissues. The special massage techniques stimulate cell flows throughout the body. This supports natural regulatory processes in the metabolism. Prior to the massage, we will give you a mineral component for neutralising the acids.

Treatment for entire body

U 95' | CHF 185

Treatment

Price for 1-2 persons

(55' | CHF 85

INFORMATION

Reservations

We recommend that you book your desired wellness treatment prior to your stay at our hotel by telephone at +41 (0) 52208 0808 or by e-mail at info@golfpanorama.ch. We are also happy to book your treatment directly at the hotel, but in this case, it may not be possible to provide our full range of treatments, or your desired booking time may no longer be available. Payment for all treatments is made at the hotel reception. Please arrive at the spa reception area 5 minutes before your treatment time and wait to be accompanied to your scheduled treatment room.

Cancellation

Any arranged treatment appointments can be cancelled at no cost at least 24 hours in advance. after which time you will be charged in full for any treatments that you do not use.

Prices

Upon publication of this spa menu, all previously published editions are no longer valid. Prices are subject to change. All prices are given in CHF and include VAT.

Clothing

Ideally, you should wear a bathrobe to your treatments. During any body treatments, your body will be covered with a towel and only parts that are currently being massaged or treated will be exposed. Shiatsu is an exception to this. Please make sure that you finish any sauna sessions at least half an hour prior to starting any treatment, to avoid post-sauna sweating during the treatment.

For exfoliations, packages or upon request, you will receive disposable underwear.

Information in advance

Do you have high blood pressure, diabetes or any allergies? Have you recently undergone an operation, or are you pregnant? Please let us know when booking your treatments. The same applies if you are taking certain medications or are currently breastfeeding. We offer special treatments for expectant mothers.

OPENING TIMES

For expectant mothers

Suitable treatments are marked with a symbol. If in doubt, please always consult your doctor. Please only book baths, exfoliations, packages and massages up to the 36th week of pregnancy.

For teens

Suitable treatments for children of ages 10 to 16 are marked with a symbol. The wellness facilities are an oasis of calm, so for this reason. there is a "kids' time" between 9 a.m. and 11 a.m. and between 2 p.m. and 4 p.m., for children under 12 accompanied by their parents. Please be aware that before and after these times, the wellness facilities are exclusively reserved for guests seeking relaxation of ages 12 and above. The sauna area may only be used by guests of ages 16 and above.
